Using the Cigna Provider Search

Using participating providers is an important part of ensuring you make the most of your health plan benefits. With a national network of more than 800,000 healthcare professionals and 6,000 hospitals, you are sure to find a participating provider near you.

For a complete listing of participating physicians and facilities, visit **emihealth.com**:

1. Click on **Provider Search** on the upper right-hand side of the home page.

2. Select **Medical**.

3. Select your plan (**Care Plus**).

4. Choose the state in which you want to search.
   If you choose a state other than Utah, you will be asked to select a logo:

   • Click on the **Cigna PPO** or **Cigna LocalPlus** logo
     (depending on your plan).

   • Once redirected to the Cigna website, enter your
     Search Location[1].

   • Select your plan using the orange **Pick**[2] button.
     This will open a new box where you can select your
     Medical Plan (PPO or LocalPlus.

   • In the **Search**[3] field, enter the doctor, specialty, or facility
     you would like to search and press **Enter**.
