

Less Paper - More Security

EMI Health is now paperless. Your Explanations of Benefits (EOBs) are available online.

IT'S CONVENIENT: No paper to store - or misplace. Your statements are easily accessible online, and you can get them even when you are away from home.

IT'S SAFE: We use the latest encryption technologies to ensure a secure environment, and there's no chance of an EOB getting lost in the mail or picked up by someone else.

IT'S RESPONSIBLE: Reducing paper consumption and waste is a simple way to have a huge impact on the environment at large - and reduce clutter in your personal environment.

To ensure that you receive your EOBs, create your My EMI Health account today.

Go to emihealth.com, click LOGIN, select My EMI Health, and follow these simple steps:

1. Click on "Register."
2. Select "Member" as the type of account.
3. Enter the information requested to identify yourself, and click "Continue."

Please note:

- You will need the Member ID number found on your EMI Health identification card.
- For your security, the password must be at least six characters, including a special character.

Although we're confident that you'll love this new service, if you prefer receiving paper EOBs in the mail, please complete the information below and either email this document to cs@emihealth.com or fax it to 801-270-3001.

I do not wish to receive EOBs electronically; please send my paper EOBs through the mail.
