

Medical Provider Newsletter

Volume 9, Number 1

An electronic newsletter for EMI Health medical providers • www.emihealth.com

Meet our new provider relations representatives

We are pleased to introduce two new provider relations representatives:

- Tiffany Smith is the representative for the North Region (Box Elder, Davis, Morgan, and Weber Counties). Tiffany has 17 years of experience working with dental providers, insurance, record-keeping, billing, and office management.
- Patti Langell is the provider relations representative for the Urban Region (northern Salt Lake County). Patti has 10 years of contracting, sales, administrative, and customer service experience, most recently as a representative on EMI Health's provider assistance line.

These ladies are a tremendous asset to our team, and we are confident that you will find their knowledge and experience to be a great benefit to you as well.

Join us for the 2018 UHIN Community Education Fairs

The UHIN Community Education Fairs have started! The Salt Lake City Fair is over, but there's still time to catch one in another city.

Ogden	March 27	Ogden Eccles Conference Center
Provo	March 28	Utah Valley Convention Center
St. George	April 11	Best Western Abbey Inn

Make sure to stop by the EMI Health booth. We look forward to seeing you there.

Time is money

We know that your time is valuable, and we do everything we can to respect that. In 2017, we achieved some pretty impressive statistics:

- More than 73 percent of all calls to our Provider Assist Line were answered within 60 seconds.
- The average medical claim was processed in less than seven days.
- More than 98 percent of all claims (dental and medical) were processed within 30 days.

We are currently experiencing a high volume of calls, and you may have noticed a slight increase in call answer time. We are making adjustments, including hiring and training more customer service representatives, to address that. In the meantime, here are some tips that will help you reduce wait time.

Helpful Hint

- Call volume is the highest between 10:30 a.m. and 2:00 p.m.
- Call volume is the lowest before 10:00 a.m., especially on Fridays.
- If your question is not time-sensitive, for the quickest response, call us on Friday morning.
- You can also email your questions to customer.service@emihealth.com.
- You can check a member's eligibility and accumulators or the status of a claim online through your My EMI Health account.

Provider Relations Contacts

Urban Region

Northern Salt Lake County (north of Murray)

Patti Langell
