The freedom of choice.

What is the Choice PPO Plan?

EMI Health's Choice PPO Plan is a rich dental benefit plan. This plan is a coinsurance plan, which means we share your costs for covered dental services and procedures. Once you've met your deductible, we'll pay a percentage of your bill.

You can choose to visit dentists in different networks based on your needs. If you use the Advantage network, you'll see more savings. If your dentist isn't in the Advantage network, see if they are in the larger Premier network here:
