

UT: Advantage Copay

Take advantage of more savings.

What is the Advantage Copay Plan?

EMI Health's Advantage Copay Plan is, as the name suggests, a copay plan. This means you have a fixed copay cost for covered dental services and procedures. You can know exactly how much a service or procedure will cost before you visit the dentist with the copay schedule.

The Advantage network gives you the opportunity to save with lower premiums and lower provider fees as a result of a more narrow network. Search Advantage network providers using our provider search here: [Provider Search](#)
