Tips for Getting Started

1. Show your EMI Health member ID card at every visit — the provider applies your discount at the time of service.
2. Confirm your dentist participates in the Careington network before scheduling. Use the provider search at emihealth.com/ProviderSearch.
3. Ask for the discounted rate upfront and confirm it before treatment begins.
4. Keep your Member Schedule handy — it lists the specific discount for each procedure.

Please note:

- * This is a discount program, not insurance. The program provides discounts at participating providers; no benefits are paid by the program.
- Discounts apply only at participating Careington network providers in Arizona.
- Specialists outside the participating network are not eligible for discounts.
- Member fees may change on January 1 each year.

This summary is for reference only. See your Value program agreement for full details. The Program provides discounts only at certain healthcare providers; the program holder is obligated to pay for all healthcare services but receives a discount from participating providers. Member fees are subject to change January 1 of each year.
